PURPOSE: Community Unit School District provides all students access to the Internet, network resources as well as laptop computers at designated graded levels, as a means to promote achievement and provide diverse opportunities during the educational experience. This policy provides guidelines and information about the limitations that the school imposes on use of these resources. In addition to this policy, the use of any school computer, including laptop computers, also requires students to abide by the CUSD#4 Technology Use Guidelines as stated in the Student Code of Conduct.
